Jobs to Housing
Task Force & Community Workshop, February 7, 2009

NOTE: Data points have been labeled by workshop group number (Task Force Groups 1-5 in red), and plotted according to the quantities of housing units and jobs placed on the map. For Groups 3, 10, 12, and 14, housing and jobs data were adjusted to reflect each group's achievement of Scenario II (i.e., emptying both housing and jobs lego cups). For Group 4, jobs were slightly adjusted to reflect emptying the jobs lego cup.
